M1 Business Park offers a unique opportunity for industrial development with lots from 1340m² to over 6000m². All lots are ready to build on and fully serviced including power, water, sewer and NBN.

The flexible zoning of IN2 - Light Industrial is suitable for numerous business activities small and large.

Don't want to go through the development process, let us help, with the developers offering industrial buildings and units in the subdivision with areas from 266m², approved and to be built.

To find out more on the remaining land available and the industrial buildings to be completed in the new year contact our office today.
